O R D E R:

In the reference 2nd read above, the Managing Director, APUFIDC, Guntur has informed that the Government have accorded administrative sanction vide G.O.Rt. No. 223, MA&UD (UBS) Department, dated: 16-04-2016 for Project Development and Management Consultancy (PDMCs) for the infrastructure works other than parks and green spaces under AMRUT projects for providing end to end support to ULBs as detailed below

Region	PDMC Agency
Region – I	AECOM Asia Company Ltd., Guargon
Region - II	Tata Consulting Engineers Pvt., Ltd., Mumbai

2. The SAAP for the years 2015-16, 2016-17 & 2017-20 were approved by Government of India and the projects are under implementation at various stages. Conducting Energy Audit is one of the Reforms to be implemented in AMRUT cities for claiming incentive of Rs. 132.00 Crores from Government of India for supporting the ULBs in the implementation of AMRUT projects.

3. The Managing Director, APUFIDC, Guntur has further informed that the Task of Water & Energy Audit was conducted for 18 AMRUT ULBs by the ENC (PH) through Tata Consulting Engineers and for the remaining 14 ULBs, the assignment of conducting energy Audit was entrusted to concerned PDMCs in both the Regions I & II..During the review meetings it has been directed to formulate long term vision for the Urban Water Sector in the state with the aim of high quality, sustainable services in all local bodies so as to meet the National / Institutional Benchmarks. The strategy to achieve this vision is (i) Augmenting the existing Water Supply Systems in the ULBs taking up Infrastructure Works i Water Supply Sector under AMRUT, Smart Cities, Externally Aided Projects such as AIIB etc., (ii) Strengthening the existing Water Supply network in the ULBs by implementing City Water Network Improvisation Plans (CWNIP) which include collecting water supply system data, Analysis, Assessment, Hydraulic Modeling, SCADA design, Preparation of BOQ and estimates, Financial Analysis and Financial viability, Tendering etc., for the engagement of operators, etc. The benefits of implementation of City Water Network Improvisation Plans is (a) to minimize Non Revenue Water (NRW) in the Water Supply by efficient management of the Supply network system (b) to develop Energy efficient Water Supply network which results in low O&M cost and protection of environment and natural resources (c) to strengthen the existing Water Management System which will serve more people with available resources in more efficient manner (d) to improve the Quality Standards of the Water Supply System gradually to meet International Standards (IS) (e) to achieve improved satisfaction levels of the consumers.

P.T.O

4. The Managing Director, APUFIDC, Guntur in order to take forward the assignment of preparation of CWNIP, requested the Government to constitute an Evaluation Committee for evaluation of the reports submitted by the consultants at various stages such as Inception Report, Draft DPR and EpI / RfPs.

5. Government after due deliberation, hereby order to constitute an Evaluation Committee to evaluate the reports submitted by the consultants at various stages, to make their recommendations for acceptance, suitability of PPP conditions as per the APIDE Act and other relevant G.Os in vogue. The Evaluation Committee encompass with the following Members.
